

An illustration of a woman with long dark hair hugging a young child with curly hair. They are both looking down with their eyes closed, conveying a sense of love and protection. The background is a warm, light orange color with faint, stylized green and yellow leaf patterns.

A MOTHER'S PLEDGE TO PROTECT

As a mother, caregiver, or guardian, I pledge to:

1. Listen to my child's voice with compassion and without judgement.
2. Believe my child if they share something that doesn't feel right.
3. Teach my child body safety rules and the power of saying 'No'.
4. Speak up when I see or sense something unsafe.
5. Create a home where secrets that hurt are never kept.
6. Support my child's healing through love, faith, and understanding.
7. Be a safe place for my child, always.
9. Advocate for the safety and well-being of all children.
9. Use the arts as a gentle, healing tool for expression and restoration.
10. Break the silence — because silence protect the abuser.

I take this pledge to protect my child, and every child.

I commit to being a light, a listener, a learner, and a leader.
