

2023 Native Seed Mixes

Bee Lawn Seed Mix (\$70)

Description:

A bees buffet! Attract bees and other pollinators to a smorgasbord of low maintenance species! This perennial mix requires much less maintenance than a traditional turf lawn and is a friendly option for pollinators! Tolerates a range of soil conditions (moist to well-drained), but not flooding or prolonged saturation. Low growing plants.

Species:

Eco friendly mix of fine fescues, Dutch White Clover, and Self-Heal!

Quantity:

Covers up to 1,000 square feet

****See MNL Bee Lawn Fact Sheet for seeding instructions**

Dutch White Clover

Self-Heal

Fine Fescue
