

2023 Prairie Seed Mixes

Native Songbird Mix (\$20)

Description:

A songbirds AND pollinator paradise! Designed to improve forage and habitat for MN native songbirds and pollinators. This perennial mix includes an assortment of spring, summer and fall blooming species. Tolerates a range of soil conditions (moist to well-drained), but not flooding or prolonged saturation. Plants are 2-6' tall.

Species:

Over 25 species including at least 20 flowers, several grasses, and sedges ensuring a diverse mix of blooms and colors all growing season! Species include: Meadow Blazing Star, Common Milkweed, Butterfly Milkweed, Stiff Goldenrod, Purple Prairie Clover, White Prairie Clover, Long Headed Coneflower, Wild Bergamot, Columbine, Smooth Blue Aster, Black Eyed Susan, Lead Plant, Stiff Sunflower, Sky Blue Aster, Little Bluestem, Indiangrass, Blue Grama, Prairie Dropseed, Tick Trefoil, Gray Goldenrod, and many more!

Quantity:

Covers up to 100 square feet. It is recommended to mix with sawdust to disburse seed
