The Committee discussed plan administration. The consensus from the committee and SWCD managers was that a Memorandum of Agreement would work most efficiently for Plan Administration, and that if needed in the future, a Joint Powers Entity could be formed. The MOA will be completed in the upcoming months with assistance from the Carlton County Attorney

M/S to proceed with Plan Administration through a MOA Ludwig/Telker

Melanie Bomier updated the timeline to show a new goal of requesting County and SWCD Board approval of the plan for formal 60-day review at their respective July Board meetings. The next Policy Committee will be scheduled as soon as approvals from each board are obtained, in late July/early August.
