*One Watershed One Plan  
Nemadji Watershed*

**Date:** May 9<sup>th</sup>, 2019

**To:** Nemadji Watershed Stakeholders

**From:** Nemadji Watershed Planning Group

**Subject:** Notification of plan development for the Nemadji Watershed One Watershed, One Plan and invitation to submit priority issues and plan expectations.

The Nemadji Watershed Planning Group, on behalf of the members, is pleased to begin development of a Comprehensive Nemadji Watershed Management Plan through the One Watershed, One Plan program. One Watershed, One Plan (1W1P) is a program that supports partnerships of local government units in developing a prioritized, targeted, and measurable implementation plan designed to help gain more conservation on the landscape. Key principles include comprehensive water planning at the major watershed scale and aligning local plans and citizen input with state strategies.

This plan will be developed for the Nemadji Watershed (see enclosed map). Recipients of this notice are invited to submit water management issues they think should be addressed during the planning process as well as expectations for the plan.

Please submit the requested information by July 12<sup>th</sup>, 2019 to:

Melanie Bomier, Water Resources Technician

Written comments can be submitted by email or letter.

All citizens and stakeholders in the watershed will be invited to the public information meeting with date and location to follow. At this meeting, we will review and compile watershed data, discuss priority issues identified by stakeholders, and provide additional opportunity for the Nemadji Watershed Planning Partnership to gain feedback.

Information about the partnership and this planning process is available at:
