Presented the Nemadji Watershed Agricultural BMP Cost Share policy developed with support from Ryan Clark (Carlton SWCD, Ag Water Quality Certification Program), Alyssa Bloss (Carlton SWCD Ag Technician) and Zach Van Orsdel (Pine SWCD Conservation Technician). The only update was to add “as needed” to the prescribed grazing system to allow for flexibility for non-livestock producers.

Next meeting will be fall of 2021 after field season. We will plan a tour of projects and review policies for 2022.
