

2023 NATIVE PLANT KITS

Raingarden Kit (\$65)

Description:

These native plants love wet feet and pollinators! Plants in this kit do well in poorly-drained, wetter soils, with over 6 hours of sun. Beautiful colors through late fall and a pollinators dream! Plants grow 1-3' tall

Species:

These 36 plant plugs include 5 species of native flowers and 1 sedge: Joe Pye Weed, New England Aster, Cardinal Flower, Swamp Milkweed, Maximilian's Sunflower, Fox Sedge (*Substitutions depending on availability: Golden Alexanders, Prairie Blazingstar, Boneset*)

Quantity:

Covers 150 square feet with 12-18 inch spacing.

Joe Pye Weed
