## **Carlton SWCD Pollinator Powerhouse Coloring Contest**

Celebrate National Pollinator Month this June by entering the Carlton Soil and Water Conservation District Pollinator Powerhouse Coloring Contest! We're inviting young artists to enter for the chance to win cool prizes related to natural resources and have their artwork featured on our website and social media.

This year, the National Pollinator Week theme is "Life on a Leaf". Look carefully! What life can you find?

***There are two age categories for our Coloring Contest.  
This coloring sheet is for children ages 8-10 years old.***

### **How to Submit:**

Artwork must be submitted by July 3rd.

You may mail or drop off your coloring page at our office:

*808 3rd Street, Carlton, MN 55718*

Or send an electronic copy via email to:

*marcie.peeters@carltonswcd.org*

### **Don't forget!**

Winners will be announced in the second week of July. *Make sure to include your guardian's contact info so we can get you your prize.*

We can't wait to see your masterpiece!
