## CARE & USE

You are responsible for proper care of the refinished surfaces and may be liable for damages caused due to improper care or abuse.

Allow 24 hours before using your newly refinished bathtub, tiles or sink

- **Be sure faucets are tightly closed after each use**
- **Remove excess water and dry tub after each use**
- **Never leave bottles, cans or wet cloths on tub surface**
- **Never use abrasive cleaners on your new tub**
- **Never use abrasive pads to clean the tub surface**
- **Avoid cleaners that contain bleach or acid**
- **Clean your refinished bathtub once a week**
- **Always remove bath mat after each use.**
- **Remember, if you treat your new surface with respect, clean it regularly, and keep your taps dry, it will stay shiny-bright for many years!**
