

2024 VOLLEYBALL TRYOUTS

Tryouts begin Monday, August 5th at TWS main gym. Each athlete must have a physical on file to participate. Athletes must be present each session to be considered for a team. Vacation does not excuse players from tryouts. We ask that the players that are selected on a team be fully committed to their team and not schedule conflicts with the season after August 5th.

Monday, August 5: 7am to 10am and 12pm to 2pm.

Tuesday, August 6: 7am to 10am and 12pm to 2pm.

Teams to be posted Tuesday at a designated time.

Only Players selected to a team will return for continued practices and regular season scheduling.

Suggestions for tryouts: Bring a water bottle, wear athletic clothes and tennis shoes. If you have court shoes, then bring running shoes and court shoes. Athletes may want to bring an extra shirt to change into after morning conditioning. Please make sure to arrange for a ride in advance to make both sessions. You are welcome to stay in the gym for lunch and break if you do not have a ride.

*** Friday, August 9th – All teams will travel on the bus to participate in scrimmages at Texas Legacy in Tomball.

***Saturday, August 10th – Parent meeting is tentatively scheduled for 11:30 am in the main gym. Players will be introduced. There will be Booster Club introductions, coach introductions, and player fellowship and program policy announcements.
