Moving and Delivery Rules

The association must be notified in advance of a move in/out and deliveries to ensure proper steps are taken. The use of the elevator is used as-a needed basis.

There are many residents in the buildings, so one unit owner cannot tie up the use of the elevator.

The office manager, Beverly Phillips must be notified to ensure the proper protection of the elevator walls is installed.

Move-in/out hours are Monday - Friday between 8:00 a.m. and 5:00 p.m.

There is no moving in/out or deliveries on weekends or holidays.

If you have any questions, please contact the office manager.
