Rules & Regulations

As owners and residents of Ocean 21-22, we all have certain rights. Yet we also share certain obligations to our neighbors and to our condominium community as a whole. The principles of condominium living require that the rights of the individual yield, to some degree, to the goals of the majority. The following rules and regulations were established to preserve those rights and responsibilities and to safeguard the best interests of the Ocean 21-22 Community as a whole. Consequently, they will also help insure that life at Ocean 21-22 is pleasant, comfortable and harmonious for us all.
