SCAPE E RECYCLER

PRIVATE LIMITED

NURTURING THE ENVIRONMNET

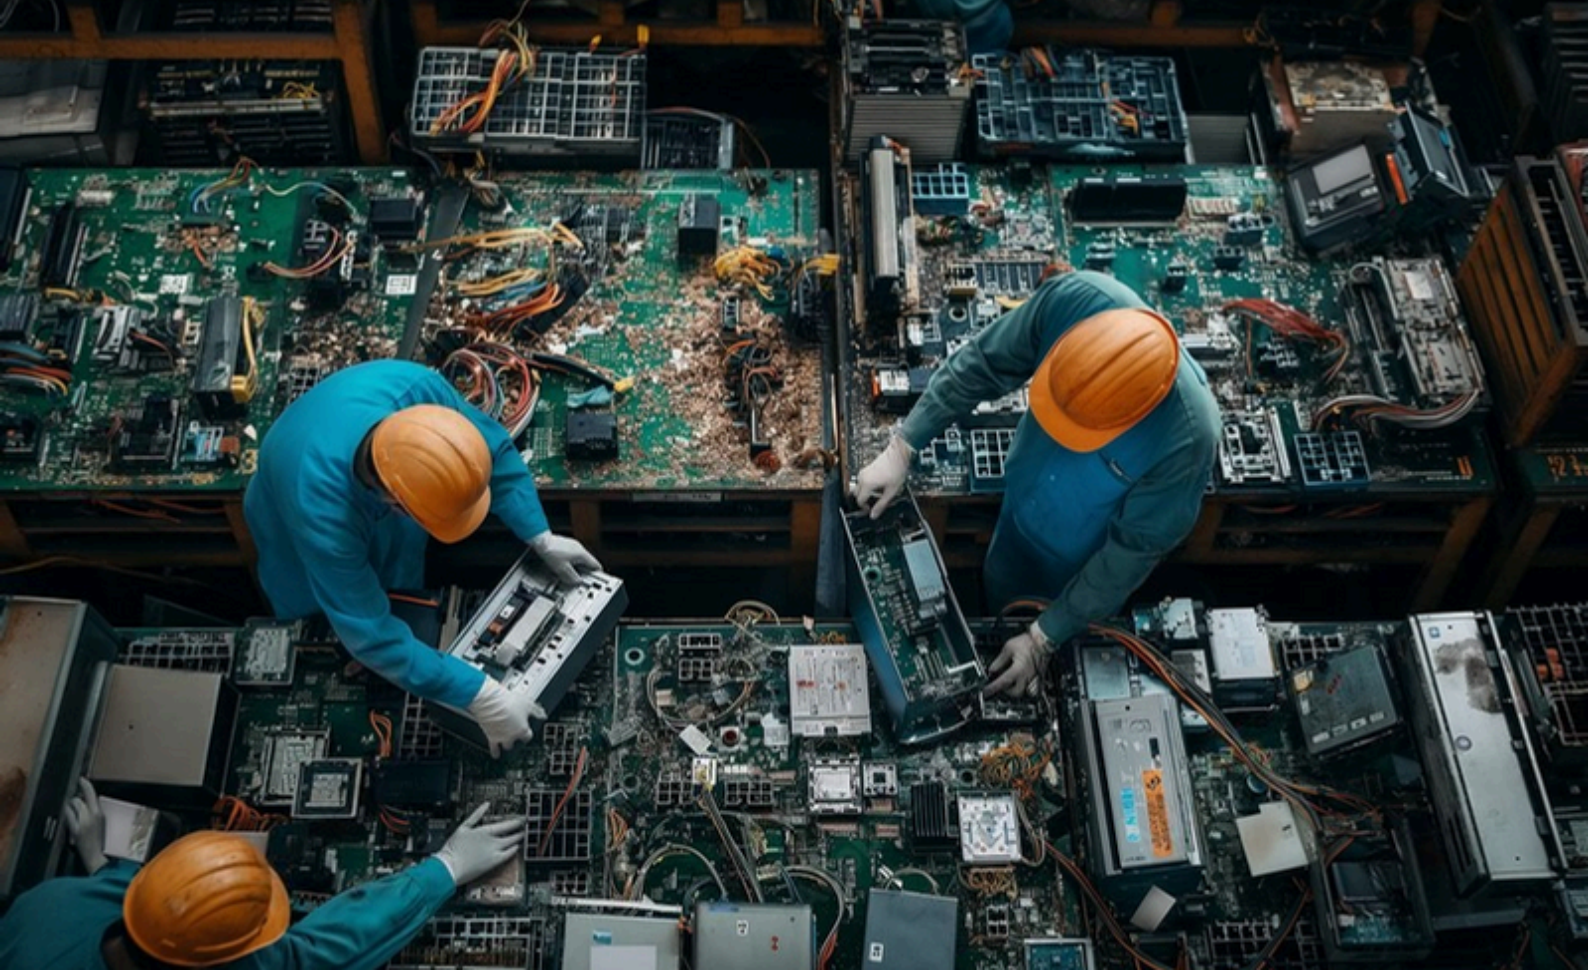

<https://scaperecycler.com>

About Us

Introduction

- We are an authorized E-waste recycler by the Maharashtra Pollution Control Board ([search here](#)) that has set benchmarks in the E-waste recycling service Industry by creating values by recycling and disposing of E-waste in environment-friendly practices.
- We are also **registered as E-waste recycler** for Extended Producer Responsibility (EPR) at **Central Pollution Control Board EPR portal**. ([search for 124 at here](#)).
- We earned a standard in E-waste recycling in the Marathwada region by not only recycling E-waste but also conducting awareness sessions in society, schools, colleges, banks, universities and various organizations and companies.

Mission & Vision

MISSION

- To protect the environment by becoming the largest E-waste recycling Service Industry in Maharashtra.
- To become the most advanced Industry in precious metals recovery by organic methods.

VISION

- To spread awareness about the hazardous impacts of E-waste on the environment and human health.
- To minimize the waste produced by the scrapping of electronic goods which is thrown directly into landfills or the environment.
- To involve every Individual in this E-waste channelization system.

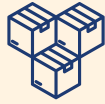

Why Us?

- A leading Service Industry in Marathwada region of Maharashtra in the field of E-waste Recycling.
- Registered as recycler at portal of Central Pollution Control Board (CPCB) for Extended Producer Responsibility (EPR).
- 100% digital data destruction/sanitization of consumers.
- Accuracy in compliance with WEEE standards of CPCB Delhi.
- Transparent and accurate reporting to bulk consumers along with the issue of a certificate of secure data destruction and certificate of E-waste recycling.
- Adherence to the highest Environmental, Health and Safety (EHS) standards across all processes.
- Dedicated Team.

Our Business Values

- **Creating awareness about E-waste is our Business.**
