

Update to Tomahawk Members on the Dissolution of the REA
January 28, 2026

Dear Tomahawk Members,

We hope you're doing well and staying warm this season.

As shared in our previous communications, we have been working through the arbitration process as the next step in the dissolution of the REA.

At this time, we are pleased to provide the following update. Arbitration has now concluded, and all required proceedings are complete. We are currently awaiting the arbitrator's final decision. While the process itself is finished, we do not expect to receive the decision until the end of February.

Once the decision has been received, we will be able to provide further details on next steps, including timelines related to final disbursement to members. We understand this has been a long process, and we sincerely appreciate your continued patience and understanding.

We would also like to take this opportunity to ensure our member records are up to date. If any of your personal information has changed — such as your last name (due to marriage or divorce), mailing address, phone number, or email — please contact the office as soon as possible so we can update our files at 780-514-8732.

We remain committed to keeping you informed as we move forward and will share further updates as developments occur.

Thank you for your ongoing support.

Sincerely,
Tomahawk REA Board of Directors
