

Hostal Doña Maria

Where Guests are Welcome as Family and Love for their Local Traditions

The interior of the country provides us with a more enriching life due to the connection of its inhabitants with their traditions, culture, landscapes and traditional settings. Hostal Doña Maria, is a family business that opened its doors in 2008, and where every visitor is welcome as a member of the family.

The warmth of its people, the beauty of its surroundings, the comfortable and central facilities located on Pedasi's Central Avenue, in Los Santos Province, will leave every Visitor wanting to return to Hostal Doña Maria.

Pedasi, a Tourist Destination Full of Activities

Hostal Doña Maria is located in a very popular beach destination among surfers and visitors from all over the world.

The location of this hostel is excellent since it is only 43 kilometers from Las Tablas and only 3 kilometers from the Pedasi airport. Likewise, it allows all Visitors to have a wide variety of activities available throughout the

year, such as: whale watching, exploring wildlife refuges such as Isla Iguana and Isla Cañas, where you can observe the nesting of turtles. Pedasi is one of the towns most admired for its safety, gastronomy, customs, traditions and traditional architecture throughout the country. Thousands of tourists come to this region to make their vacations a quiet place near the sea.

A Place that Makes You Feel at Home

Upon arrival, you will welcome by Neri, and María Moscoso and their mother Doña Maria the hosts that will make your stay have a cozy atmosphere full of "Pedasieño" and family warmth that reflects respect for their culture and traditions.
