### **Biblical Beliefs**

Jesus Christ is the only begotten son of God and is God, as is the 3 in one; Father, son and Holy Spirit, Jesus was crucified, shed His blood as the price our sins, redeemed us to a relationship we could not have on our own with our holy and righteous creator, God the Father. Jesus rose from the dead on the 3rd. day, defeated sin and death for all mankind that we may have eternal life with him and the father. Salvation is a undeserved gift of grace received by faith in believing God is who He said He is, and believing in His son and the indwelling power of the Holy spirit to direct us into all truth. The Bible is the infallible literal, true and anointed word of God to mankind for admonishment and instruction
