

2nd January 2024,

To the Albion Park Football Club community,

We hope you had a great Christmas and New Year.

January 3rd, 2024 marks another huge milestone in our club's 49-year history, as we embark on our biggest registration drive yet.

It officially begins a new era for football in the 2527 postcode following our unification with Albion Park City Football Club last year. We enter this year with a fresh name, refreshed brand and new vision for the future.

If you live in Albion Park, Albion Park Rail, Calderwood or Tullimbar, simply put, we are the club for you.

Whatever your age, ability or gender, it is our mission to get you playing the beautiful game. Our club is one of the biggest in the Illawarra and we pride ourselves in providing the best possible environment for people to play football.

In 2024, we are delighted to announce that we have appointed one of the region's most respected and successful coaches, Jeff Allport, as our Technical Director. In this role, Jeff, a former Albion Park junior, will oversee the development of male and female players at the club and also serve as Head Coach for our Community League All Age Division 1 Men's Squad.

We are also intent on rebuilding our pathways by being promoted to the Men's District League competition by 2025 and the Women's Illawarra Premier League by 2030. This is to ensure the juniors of today can represent Albion Park Football Club long into the future.

Over the next 2 years, we will be rolling out a new playing strip for the club, starting with our graded & senior teams in 2024 followed by our MiniRoos teams in 2025.

Miniroos players have the option of purchasing this merchandise bundle a year early for the special price of **\$60 (save \$20 on cost prices)** this year.

Our registration prices are as follows for 2024.

Miniroos Under 5 to Under 7 - \$110

Miniroos Under 8 to Under 9 - \$150

Miniroos Under 10 to Under 11 - \$170

Graded Under 12 to Under 18 - \$240* (includes club socks, club shorts & club polo shirt)

Seniors - \$390* (includes club socks, club shorts & club polo shirt)

NOTE: Senior & Graded registration prices will be reduced for returning players in 2025 due to this season roll out of new merchandise.

Please ensure when registering, you also fill out the [Merchandise Sizing Order Form](#)

We are delighted that even with this rollout of new merchandise, our registration prices remain at a great price in comparison to other clubs in the region during a cost of living crisis.

Please find below the following registration links.
