

Private Pilot Ground School

Biggest Little Flight School

Open to those who are interested in getting their license or are currently working towards their Private Pilot License. At the end of the course, you will receive an endorsement to take the FAA written examination.

Lead Instructor: Timothy Hines, Certified Flight Instructor

Must have flown in front seat of a small aircraft or done a discovery flight before starting class

What we give you...

Throughout the class, you will receive:

- 2026 FAR/AIM book
- ASA Student Pilot Kit
- 2025-2026 Private Pilot Test Prep book
- An endorsement to take the FAA Private Pilot written exam
- Preparation for the Oral part of the PPL check ride

What you need to bring...

- A desire to learn
- Notepad and writing implement (a computer is fine too)
