

Why CareConnect?

Experience

Founded by Dr. Gary G. Theofilis, **CareConnect** is a Managed Franchise Model that enables our franchise partners to provide Home Healthcare services with the lowest Start-up & Operational Costs in the industry.

The **CareConnect** Franchise can be managed from anywhere in the world using internet and telephone.

Protected Territory

Franchise Territories are based on US Zip Codes and are protected for the life of the franchise agreement.

Royalty

The **CareConnect** Monthly Royalty Fee is 5% of monthly gross billings with a minimum monthly royalty fee of \$1,250.

Targeted Internet Marketing

CareConnect implements a highly targeted internet advertising campaign designed to maximize lead generation, while at the same time offsetting the Franchise Partner's Operational Costs.

Lead Distribution

CareConnect protects the territory of our Franchise Partners by assuring that all leads generated via our advertising are distributed to the contracted territory by Zip Code.

CareConnect is an international provider of home healthcare services via a network of franchise partners.

CareConnect's unique managed franchise model decreases both Start-Up and Operational Costs of our franchise partners. Our 24 x 7 Call Center receives and distributes leads based on your protected territory.

Training & Online FAQ

24 x 7 Call Center with Lead Distribution

International Opportunities

The **CareConnect** name has been registered in the United States, Canada and the United Kingdom. Our unique managed franchise model enables our Franchise Partners to operate their business from anywhere in the world. **CareConnect** franchises are available for purchase in the UK and Canada.

Liability Insurance Guidance

At **CareConnect** our goal is to assure your success by guiding you through various aspects of setting up your business. CareConnect can refer you to experienced Home Healthcare insurance provider.

Decreased Start Up Costs

The **CareConnect** managed franchise model enables our franchise partners to establish their franchise at the lowest cost in the industry. Estimated Start-up Costs range from \$80,000 to \$150,000 which accounts for legal fees, licensing, insurance and payroll funds.

Decreased Operational Cost

CareConnect's implementation of a 24 x 7 call center, aggressive internet marketing and lead distribution decreases the personnel requirements of our Franchise Partners.

Training, Support & FAQ

CareConnect succeeds when our Franchise Partners succeed. Your success begins with On-Board Training, Access to Support and Online FAQs.

24 x 7 Call Center

The **CareConnect** managed call center processes and distributes leads to Franchise Partners on a 24 x 7 basis.
