

EMPOWERING AND EDUCATING WOMEN OUTDOORS

This is an outdoor-focused camp where campers spend most of their time outside, with all instruction occurring outdoors in an empowering environment. Be prepared to meet plenty of new friends and learn amazing new skills.

Our program is scheduled to offer instruction and activities in: archery, canoeing, shot gun - long rifle - and pistol handling, fire starting, campfire

Narrow Lake is in a picturesque 471 acre setting, approximately 20 kilometers southwest of Athabasca, with access from Highway 2.

The existing facility includes a classroom, kitchen house, dock, 4 - person bunkhouses, wilderness survival training area, a trap facility as well as a rifle and archery range.

Meals for camp will be provided by our talented chef, a culinary instructor at N.A.I.T
