@ THE GRAND STAND

**ASHLAND COUNTY
FAIRGROUNDS**

Thank you for considering sponsoring the Polk Firefighter's Association Rodeo. Each year we respond to approximately 500 calls for service in the North-Eastern portion of Ashland County.

Many times we receive calls for service while spending time with our families, in the middle of a meal, while at work, and in the middle of the night. However, we have a desire to help the community so we willingly respond. These funds help to supply us with equipment, drinks, snacks and anything else we need to make life at the station and on the fire scene enjoyable. By having the things we need, it lessens the load on us firefighters to try to supply fire stations with supplies while having a family and home to supply as well. Also, firefighter burn-out from putting in many hours at the station and emergency scenes is a big problem in the fire service and this helps to lower the risk of burnout.

Again, thank you for considering sponsoring this fundraiser.
