

Welcome, new Dig Local Member!

We're really excited to get you up and running on the Dig Local app and website. Here are a few steps to get you started.

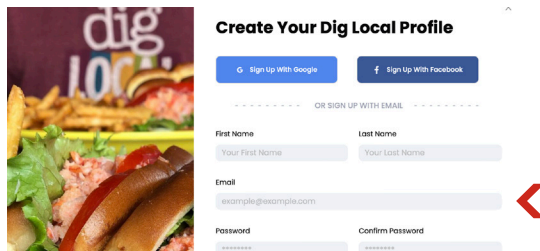

- Go to **diglocal.com** and create a User Profile.

1

- Let us know via email or text the **email address** you used to create your account.

2

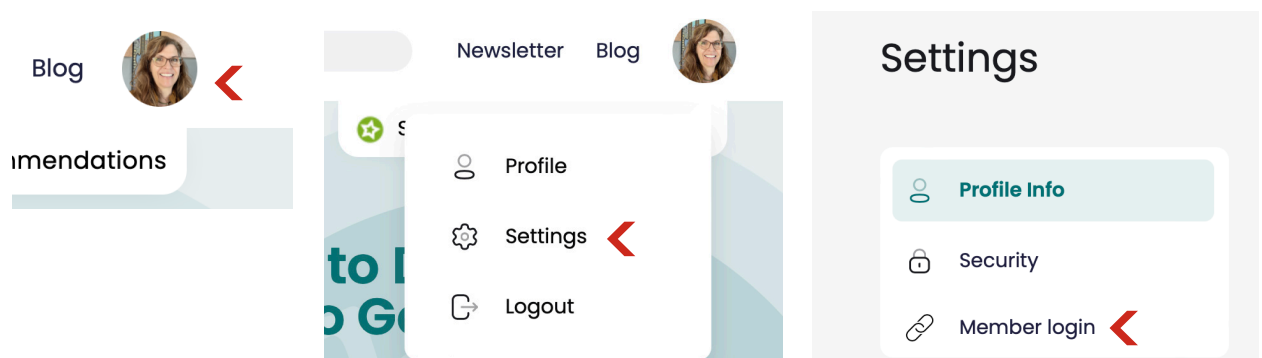

3

- Look for a confirmation email from Dig Local that the membership has been activated

- **Log in** to your Profile, click **Settings**, then click **Member Login**.

4

5

- Create your Dig Local **business profile**, add photos and create Scoops.

Reach out to Ted Pate at **ted@diglocal.com** or **828-505-5655** with questions or feedback
