

Cursillo Lay Rector Nomination Form

Anglican Diocese of South Carolina

"The Cursillo leaders are people who are already identified as people of faith. They are persons who attract others to themselves and manifest a trusting presence and confidence. They are not necessarily persons in charge of anything, but people who have the potential to influence those around them...These Christians penetrate their environments and evangelize them by virtue of the leadership qualities. They attend Group Reunions and Ultreyas to strengthen their devotion to bringing the world to Christ. And even though they may not necessarily hold positions of prominence, one can see the influence of these Cursillistas in the parish and diocese."

Pray for guidance throughout the nominations process. (This form is fillable on your computer.)
