

# RAGING REPTILES

## VOLUNTEER SOP ACKNOWLEDGMENT

### Volunteer Protocols & Animal Access Levels

**v1.0 | Effective:** February 13, 2026

I acknowledge that I have received, read, and understand the Raging Reptiles Volunteer Protocols & Animal Access Levels. I understand that I must operate strictly within my assigned level and follow all staff instructions, safety rules, journal requirements, key control procedures, and handling restrictions.

I understand that volunteers are not staff, that access to animals is earned, and that violations may result in demotion, suspension, or removal from the volunteer program. I agree to report hazards, animal concerns, and supply shortages immediately, and to maintain professional conduct in a child-facing environment.
