\*Previous attendees of the Subject Leader Programme are welcome to attend any session at the cost of £60 to 'refresh' their subject knowledge (NB: content covered although updated will be similar to the original programme attended)

## English and Mathematics Subject Leaders

### Subject Leader Updates

These CPD sessions are a sequence of **6 half day events** across the academic year with each session providing English and Mathematics Subject Leaders with a **'ready-made' staff meeting resource** to take-away and disseminate related key messages and subject knowledge across the whole school in order to build capacity and secure expertise.

Subject Leaders will be updated on key messages and current documentation related to the National picture as well as receiving a subject knowledge focused input based on related National or local themes. There will also be an opportunity to network and share effective practice across the session. GAP Tasks will be provided between sessions in order to maintain momentum.

## Mathematics Training

### 'Let's Talk Maths' in the EYFS with Teaching Assistants

This CPD follows on from the recent Wirral Local Authority EYFS Mathematics Programme written & delivered by Sarah SquarEd.

It is an opportunity for **teaching assistants** to secure and enhance their subject knowledge in early mathematical development. A key focus will be on supporting children in developing counting into calculation.

This is a practical session and practitioners will be provided with a range of materials to support them to implement the key messages back in their settings.

#### Date:

**13/11/19** – Full Day,  
9.15am – 3.45pm,  
Neston Cricket Club

#### Cost:

£120 per delegate

(If you would like the delegate who attended the Wirral LA 2018/19 programme to accompany the TA to this event, they can do so at a reduced cost of £80, NB: the content of this course is similar to that of the original training)

### Getting to Grips with Times Tables

This CPD is designed to support **teaching assistants** working with pupils who are struggling to retain and recall their multiplication tables.

It will provide a range of ideas, games and resources to be used as part of **targeted intervention** for those pupils who are unable to meet the required standard for the MTC in Year 4 (moving into Y5).

#### Date:

**29/4/20** – Half Day,  
9.30am – 12noon, Pensby  
Primary School

#### Cost:

£40 per delegate  
(or send 2 delegates for  
£60)

## English Training

### Dealing with Demarcation Difficulties!

This CPD is a half-day session where barriers to securing **simple sentence structure** and **accurate demarcation** will be explored. Strategies and practical tips will be shared to speedily and rigorously address knowledge gaps in order for pupils to work accurately and at the expected age-related standard in their writing.

**Suitable for Year 2 and 3 teachers and English Subject Leads.**

#### Date:

**11/02/20** – Half Day,  
9.30am – 12noon,  
Neston Cricket Club

#### Cost:

£60 per delegate  
(or send 2 delegates for  
£100)
