

The background of the entire image is a vibrant red, featuring a pair of red curtains that are pulled back to reveal a bright red stage. The curtains are held by thick, gold-colored ropes. The word "RED" is written in large, bold, gold-outlined letters at the top, with a small starburst effect above the 'D'. Below it, the words "[REAL ESTATE DEVELOPMENT]" are written in a smaller, gold-outlined font. Below that, the word "AWARDS" is written in large, bold, gold-outlined letters, matching the style of "RED".

▼ ABOUT THE RED AWARDS

The RED Awards are the most prestigious and influential real-estate awards in the United States — a celebration of the visionaries who build, design, and transform the world around us.

Now entering its 14th edition, RED has successfully hosted 13 sold-out award shows across New York, Miami, Chicago, and Europe, honoring hundreds of distinguished individuals, leading companies, and groundbreaking projects that define excellence in the built environment.

More than an award ceremony — it is a symbol of prestige, leadership, and legacy. Each RED Awards evening is a red-carpet, black-tie production where achievement meets influence and recognition turns into opportunity.

RED brings together the most powerful figures in real estate for an unforgettable night of celebration, credibility, and connection — where reputations are solidified and the next generation of industry leaders steps into the spotlight.

🏆 WHY THE RED AWARDS STAND OUT

- The most exclusive guest list in real estate — top developers, brokers, investors, architects, and designers
- Hosted by industry icon Bob Knakal, joined by esteemed co-hosts and special presenters
- Confidential, merit-based nomination process guided by an independent advisory board of respected industry veterans
- People's Choice categories that amplify community engagement and media visibility
- World-class production featuring cinematic staging, live honoree interviews, and red-carpet arrivals
- Charitable integration, ensuring every event supports a meaningful cause
- Recognized nationally as the most respected symbol of credibility, prestige, and excellence in real estate

🗳️ THE SELECTION PROCESS

Each RED Award recipient is chosen through a rigorous, transparent, and merit-driven evaluation process designed to uphold integrity and trust:

1. **Nominations** — Candidates are nominated by peers, RED Connect members, or the broader industry based on exceptional performance and impact.
2. **Advisory Board Review** — An independent panel of leaders, investors, and past honorees confidentially reviews and validates every nomination.
3. **Evaluation Criteria** — Nominees are assessed on influence, innovation, leadership, ethics, peer recommendations, and project excellence.
4. **Final Selection** — Winners are determined through a verified scoring process overseen by the advisory board and RED's executive committee.
5. **People's Choice Voting** — Select categories are opened for public participation, celebrating community favorites and driving engagement.

Every award reflects true merit, integrity, and contribution — recognizing those who are shaping the future of real estate with vision and excellence.

🎟️ THE RED AWARDS EXPERIENCE

Each RED Awards ceremony is an immersive, high-profile experience blending sophistication, entertainment, and connection:

- Prestigious award presentations across multiple real-estate categories
- Live stage interviews and honoree spotlights
- Executive networking dinners and private cocktail receptions
- Red-carpet arrivals, professional photography, and branded media coverage
- Prime VIP seating for investors, sponsors, and distinguished guests
- Stage access and speaking opportunities for presenting sponsors
- Professional video and photo recaps provided to all partners for continued visibility

From the spotlight to the boardroom, from recognition to deal-making, the RED Awards represent the pinnacle of prestige, influence, and opportunity in the U.S. real-estate industry.

● SPONSORSHIP OPPORTUNITIES

Put Your Brand at the Center of Real Estate's Biggest Stage

We offer four levels of sponsorship—each crafted for brand visibility, leadership positioning, and on-stage impact.

As a **Table Sponsor**, you'll secure a premium table for 10 guests and may host award recipients or high-value guests at your table. Your logo will be included on signage and programs, and you'll have the option to provide branded gift bags and receive general reception access for additional guests.

Silver Sponsors receive enhanced exposure with step-and-repeat logo placement, a branded booth, a company video feature during the show, a digital sponsor directory presence, and strategic social media highlights.

Gold Sponsors enjoy full access to the guest list, curated intros with key players, and on-stage participation including presenting an award. You'll also be recognized in our event press release, recap video, and allowed to showcase your service or project live during the show.

Presenting Partners receive top billing with naming rights: "RED Awards Presented by [Your Company]." You'll make opening and closing remarks, serve as a co-host or award ambassador, and be featured in every piece of digital and printed collateral—from signage to badges to media interviews. You also gain access to exclusive activation opportunities such as branded lounges, email campaign integrations, and priority placement in the following year's show.

RED Awards Committee & Advisory Board

The RED Awards Committee is composed of respected real estate leaders who shape the integrity, growth, and national prestige of the RED Awards. These trusted developers, brokers, architects, contractors, and investors serve as both strategic advisors and selection panelists, ensuring that RED remains the most credible and influential recognition platform in the industry.

The Committee provides strategic guidance by advising on award categories, selection criteria, and overall program direction. Their industry influence helps elevate the visibility of the RED Awards, attract top-tier nominees, and bring in respected speakers, honorees, and partners. They play a vital role in event development—offering insight on venue and city selection, supporting ticket and sponsorship sales, and recommending influential guests.

All nominees are evaluated through a confidential and rigorous selection process based on four key criteria: their influence within the real estate industry, their work ethic and professionalism, the impact and innovation of their projects, and peer or expert recommendations.

Through their ongoing leadership, the RED Awards Committee ensures that each ceremony remains a fair, prestigious, and defining moment for excellence in real estate.
