

The background of the entire image is a rich, vibrant red with a subtle vertical pleated texture, resembling a stage curtain. The curtains are parted in the center, creating a triangular opening that frames the text. The lighting is dramatic, with a bright glow emanating from behind the text, creating a sense of depth and focus. There are some soft, out-of-focus light spots in the upper right corner, adding to the cinematic feel.

▼ ABOUT THE RED AWARDS

The RED Awards is the flagship real estate award show recognizing top-tier excellence across residential, commercial, architecture, construction, and hospitality sectors. Held annually in New York City and Miami, and expanding to new markets in 2026, RED Awards gathers the most influential names in real estate for a red-carpet night of celebration, prestige, and power networking.

It's more than just a trophy—it's a symbol of achievement, reputation, and momentum in the built world.

RED is where developers, dealmakers, and designers earn their spotlight—and where the industry watches to see what's next.

As seen on Netflix's *Owning Manhattan*, RED Awards has become one of the most respected and talked-about events in the U.S. real estate calendar.

🌐 OUR REACH & FUTURE

The RED Awards has already made an impact in New York City and Miami, with additional activations and networking events hosted in Chicago and Los Angeles.

Now, we're preparing to expand the full RED Awards experience to Texas, California, Illinois, and Pennsylvania starting in 2026—and we're actively seeking strategic partners and city collaborators to help bring the show to life in new markets.

We're also exploring international editions to bring RED's signature production and prestige to global real estate hubs.

🏆 WHY RED AWARDS STANDS OUT

- Curated, high-impact guest list featuring top developers, brokers, architects, and investors
- Hosted by industry legend Bob Knakal with a rotating cast of respected co-hosts and presenters
- A confidential, merit-based nomination process led by an independent advisory board
- People's Choice Awards to engage public support and drive buzz
- A dynamic production with live stage presentations, honoree interviews, and major press presence
- Charitable integration, ensuring each event supports a meaningful cause
- Backed by a national media engine and featured on Netflix, press, and social platforms

🏆 THE RED AWARD EXPERIENCE

Each RED Awards Show is a black-tie, red-carpet production designed to celebrate excellence and elevate brands.

The event features:

- Award presentations across multiple categories
- Live interviews and stage moments with honorees
- Executive networking dinners and cocktail receptions
- Red carpet photo ops and branded media coverage
- VIP seating for sponsors, investors, and special guests
- Stage time for presenting sponsors and partners
- Professional video + photo recap delivered to all partners

From the spotlight to the deal flow, this is where reputations are built and relationships are born.

● SPONSORSHIP OPPORTUNITIES

Put Your Brand at the Center of Real Estate's Biggest Stage

We offer four levels of sponsorship—each crafted for brand visibility, leadership positioning, and on-stage impact.

As a **Table Sponsor**, you'll secure a premium table for 10 guests and may host award recipients or high-value guests at your table. Your logo will be included on signage and programs, and you'll have the option to provide branded gift bags and receive general reception access for additional guests.

Silver Sponsors receive enhanced exposure with step-and-repeat logo placement, a branded booth, a company video feature during the show, a digital sponsor directory presence, and strategic social media highlights.

Gold Sponsors enjoy full access to the guest list, curated intros with key players, and on-stage participation including presenting an award. You'll also be recognized in our event press release, recap video, and allowed to showcase your service or project live during the show.

Presenting Partners receive top billing with naming rights: "RED Awards Presented by [Your Company]." You'll make opening and closing remarks, serve as a co-host or award ambassador, and be featured in every piece of digital and printed collateral—from signage to badges to media interviews. You also gain access to exclusive activation opportunities such as branded lounges, email campaign integrations, and priority placement in the following year's show.

📊 BY THE NUMBERS

RED Awards Committee & Advisory Board

The RED Awards Committee is composed of respected real estate leaders who shape the integrity, growth, and national prestige of the RED Awards. These trusted developers, brokers, architects, contractors, and investors serve as both strategic advisors and selection panelists, ensuring that RED remains the most credible and influential recognition platform in the industry.

The committee provides strategic guidance by advising on award categories, selection criteria, and overall program direction. Their industry influence helps elevate the visibility of the RED Awards, attract top-tier nominees, and bring in respected speakers, honorees, and partners. They play a vital role in event development—offering insight on venue and city selection, supporting ticket and sponsorship sales, and recommending influential guests.

All nominees are evaluated through a confidential and rigorous selection process based on four key criteria: their influence within the real estate industry, their work ethic and professionalism, the impact and innovation of their projects, and peer or expert recommendations.

Through their ongoing leadership, the RED Awards Committee ensures that each ceremony remains a fair, prestigious, and defining moment for excellence in real estate.
