Summer 2022

A Message from Our Chairperson

My fellow neighbors, it is with great pleasure that I write to inform you about our exciting plans for summer 2022.

We're excited to have our first neighborhood meeting in two years! It will be held at Harkness Elementary School on June 16th. It will give neighbors a chance to come together and gather information from Sac PD, and other community leaders.

As we all know, it has been a challenging couple of years but we're ready to move forward on many neighborhood initiatives to include the approval of the Florin Road Beautification Program that will support local non-profits as well as beautify the entrance on Tamoshanter Way and Florin Road, the "pork chop" on 57th and Hogan will be upgraded with new landscaping, up to two speed bumps will be added in the neighborhood, another worthy student will be awarded a scholarship, Chorley Park event activation, the relaunch of the Yard of the Month Program, and so much more.

Working together, neighbor by neighbor, we look forward to a great summer and beyond!

Best,
Matt | Chairperson, GCTENA

Join the Golf Course Terrace Estates Neighborhood Association Board!

- Work towards a safer neighborhood
- Be active in positive change
- Meet new neighbors

Your voice is important! GCTENA is looking for additional board members who are interested in actively participating and impacting change in our community.

Keep Your Dog Safe!

In recent months, many neighbors have had the sad experience of having their pets be attacked by stray or wandering dogs walking through the neighborhood. We love and appreciate all that our animals do for us, but if you have a dog, please make sure that it is properly leashed when outside of your property.

If you leave your dogs in your yard, please make sure your yard is secure. If you see a wandering dog, please make a report to 311 so that animal control can have documentation.

Let's keep our neighborhood a safe place to walk for ourselves and our pets.

Yard of the Month is Back!

Our Yard of the Month program will resume this summer! We're excited to showcase neighborhood homes that make our neighborhood look great! Does your home have right curb appeal? You might be selected as Yard of the Month! If you have a recommendation for a Yard of the Month, please email address to gctena@gmail.com

LET'S ROCK THE BLOCK!

Did you know that Golf Course Terrace Estates was once known for beautiful gardens and landscaping? Neighbors took pride in their homes and it showed! Here are a few tips to help you Rock Your Block!

- Maintain your Lawn! Overgrown lawns are an eyesore, safety hazard and attract rodents! Even if you're not watering as frequently, always upkeep and maintain your lawn (only mow when safe)
- Keep sidewalks clear of debris. This will allow neighbors to safely walk or roll with ease.
- Keep garbage cans out of street view (keep cans behind fence in back or side of yard).
- Don't park cars on your lawn! Not only is it an eyesore, but it can be a fire hazard, especially in the heat of summer.
- Fix Up a Few Things...a broken fence, chipped paint, a broken window, etc. A well kept home keeps the neighborhood looking good!

Register Your Rental Property!

Owners of rental property in the City of Sacramento are required to submit a Rental Housing Program Registration Form for each rental property owned.

The purpose of the Rental Housing Inspection Program is to address the issue of substandard rental properties, promote greater compliance with health and safety standards and preserve the quality of Sacramento's neighborhoods and available housing.

The program achieves compliance of health, safety and welfare code violations in/on residential rental properties that are a threat to the occupant's safety, structural integrity of the building, and a negative impact on the surrounding neighborhoods.

For more information contact rhip@cityofsacramento.org

City Watering Schedule - March 1st through October 31st

Even-numbered addresses can water on Wednesday and Sunday

Odd-numbered addresses can water on Tuesday and Saturday

- Watering is allowed before 10 a.m. and after 7 p.m.
- Wasting water is not allowed, including water running off properties and onto sidewalks or gutters, or ponding of water.
- Watering is not allowed 48 hours after one-eighths inch of rain.
- When there are two or more consecutive days of temperatures at or above 100 degrees, landscapes are exempt from watering schedule restrictions.
