Saving Bing Maloney Golf Course

Did you know that Bing Maloney Golf Course is one of three sites being evaluated for the potential relocation of the Sacramento Zoo? The other two possible locations are the Arco/Sleep Train Arena area and the Natomas Regional Park.

There is a grass roots group out of Natomas called WWAZ (#WeWantAZoo) that are working with District 1 Councilmember, Angelique Ashby, to have the Zoo relocated to the arena site.

The City's feasibility study may not go their way and the Bing Maloney Golf Course could be the chosen site. How do you feel about the Zoo relocating to your backyard?

Did you know that the City states that there are too many City golf courses and Bing Maloney Golf Course is the one they are discussing to eliminate over the others? They say it is not cost effective to spend money on the course.

Our Neighborhood Brand

Golf Course Terrace Estates has its identity tied to the golf course as reflected in the name of our neighborhood and the many streets that are named after golfing greats. Take away Bing and we lose our identity!

Our community has access to a beautiful 18-hole and 9-hole golf course at a low cost. To take this away would be stripping our community and other surrounding communities of resources we have enjoyed. The facilities should be upgraded - as most all the other City golf courses have very nice clubhouse facilities. It is time for the City to invest in our community.

If you think that having our neighborhood golf course STAY a neighborhood golf course, now is the time to act and preempt the changes that could come.

We encourage you to get educated and active about the possible upcoming changes that will happen to our neighborhood. Write to Jay Schenirer, our District 5 Councilmember, and let him know your thoughts.

Santa Needs A Helper

Every year Santa visits families in our neighborhood with gifts, food and supplies. This is an exciting program that is a real blessing for each family that receives a holiday package.

You can participate by providing Santa with canned food, non-perishable items or a monetary donation so Santa can shop for gifts.

Please bring your donations to the GCTENA Neighborhood Meeting on November 21st.

Santa and his elves thank you for your support!
