Re: Open Letter — The Electorate Of The 14th District

Howzithangin', Maggies?

Permit Me To Come Straight To The Point: What The Pfuck Is Wrong With The Majority Electorate In This Congressional District?

The 14th Isn't Some Half-Assed, Backwoods District. I Was In Rome Over A Long Weekend Perhaps 5 Years Ago. The Impression I Took Away Was That Of A Healthy Vibrant Civilized City (And Area). I Contrast That Impression With This Laughably Skanky Ignorant Loony Full Of Shit Bitch That All Y'Alls Have Gone All-In Fer. Jesus Motherfucker! Republicans In The 14th Could Elect *Any* Congressional Representative Of Their Choosing — And Dearest *Marge* Is Their Choice. Really?! But At Least In Her 2022 Reelection Bid, Some 88,000 (About One-Third) Of The Electorate Had The Good Sense To Vote For A *Quality Democratic* Candidate.

So What Do Y'All Think About Her Latest Bit Of Lunacy? To Wit, That This Evil Guvmint Of Ours Can *Geoengineer* Hurricanes The Likes Of Helene & Milton — And *Target* Red Areas For Destruction. Okaaay, Honey!!! Against My Will, I Do Feel Compelled Follow Politics More Closely That I Otherwise Would In This Historic Fraught Menacing Moment. I Read A Quote In THE HILL By Speaker Mikey Who Characterized Rep. Greene As "Not A Serious Legislator." To My 69-Year-Old Bipolar Ear, I Wondered If That Was Polite Speaker-Speak For... Crazeeee Pfucking Bitch.

Now I'm A Goin' To Take A Flyin' Leap Here And Assume That The Vast Majority Of Marge's Supporters Are Also All-In *TrumperHumpers*. In The Noted MY LEETLE TRUMP PROJECT — Bit 8.33 **MARGE** — Is A Partial Transcription Of An April 2024 *Washington Post* Article Re The Handling Of A Serious Threat Made Against Rep. Greene. I Would Direct Your Attention To Marge's [Failed] Attempt At A Classic *Trumpian* Grift To Get The Court To Assess A \$65k Judgment Against The Defendant For A Security Perimeter Around Her Primary Residence. No Doubt Such A Cheap Skanky Endeavor Would Make **THE DONALD** Proud.

Is **THE DONALD** Your First *Cult* Experience? Whoa! "Well, You Don't Have To Get Snippy About It," Right Al Gore? C'Mon, People. As I Watch This *Extraordinary* Campaign, **TRUMP** Strikes Me As Less A Presidential Candidate Than A Delusional Full Of Shit Carnival-Barking Used Car Salesman — And A Lousy One At That.

In The Trumpocene, The Sane, Serious, And Otherwise Able GOP House Members Continue To Flee In Doves. The Latest Is Wisconsin Congressman Mike Gallagher, Who's A Serious Stand-Up Guy. But Don't Let That Trend Trouble You Maggies. 'Cause You Done Gots A Full-On One-Third *Share* The *New* Three Stooges: Marge Boebert, Lauren Greene, And The Laughably Lame, Comically Immature, PanhandlePeckerwood. What? No, I'm Not Having A Biden *Senior* Moment Here. Okay?

Clearly All Y'Alls Could Nominate (End Elect) A Sane, Capable, Hard-Right Representative. It Sure As Hell Ain't Like They Don't Exist. So, ... Why Don't You? Well, I Riiightly Reckon It's Because, Like The Self-Proclaimed "Very Stable Genius," Marge's Bullshit Schtick Moistens Yer MAGA Panties Or Stiffens Yer "Small But Not Freakishly Small" MAGA Peanus. As They Say Down Yer Way, *It's All Good*. Yar It Is.

Now, Peeple, It Wouldn't Occur To Me To Insult Your Intelligence And Tell You That I'm Werkin' With A *Full Deck* At 69. That Said, I Do Very Much Enjoy Maintaining The Delusion That It's Sufficiently Full For My Increasingly Limited Purposes. A Year Ago I Done Had A Cutting Edge Procedure (HoLEP) To Alleviate A Prostate Giganticus. While Quite Successful, I Now Find Thyself Walkin' 'Round (Mostly Contentedly) With 5.715 Centimeters Of Flexible *Liberal* Lukewarm Cock. *Oh, Yuck!!!* I Know, I *Know*. The Liberal Was Just For The Alliteration. In Reality, I've Long Pfancied Myself To Be A Meaner-Than-Shit Radical... CENTRIST. Said Procedure Also Came With A Rather Remarkable Side Effect Known As Retrograde Ejaculation. Aw, Is That TMI Fer You? Dealwiddit. As Fer RE, You Are Cordially Invited To Consult Yer Portable Handheld Auxiliary Brain.

As For The Coming Electoral Shit Show, I'm Going Off-The-Grid Way Up North For At Least A Week Prior And After. I've No Interest In Witnessing The Electoral Sausage Being Tabulated. I Plan On Spending Considerable Time In Nature. I Figger If One Day After 7 November I Should Happen Upon A Herd Of Elk Running In Circles And Falling On The Ground, Or Look To Sky And See Three Bald Eagles Flying Upside Down... What? Well, Two Could Be A Marital Spat — But *Three?* — Then I Rightly Reckon I'll Know The Outcome.

I've Long Been Curious About The Various Types Of Folk Who Comprise **Trump's** Base Of Support. The Portion Of The Base To Which I React And Endeavor To Provoke Are Those Who Grandpa Biden *Edgily* Characterized As **ULTRA-MAGA**. As I've Said In MY LEETLE TRUMPY PROJECT, I Regard *These Peeple* As

TRUMP TARDS **MA MA MAGA MORONS**
MILITIA MONKEY PATRIOTTS **QANON FABULISTS**
FAR RIGHT EVANGELICAL NUTTERS

TTs **MMs** **MMPs** **QAFs** **FRENs**

That Bit Of Disrespectful Snark Aside, I've Keenly Observed **Donald's** Rally Crowds Over An Extended Period. I Must Say That His Crowds Have Become Increasingly Mainstream-Looking, Diverse, And... Wait For It... *Normal*. Part Of That Appearance Is Due To How The Campaign Stages Attendees Who Are Directly Behind **Trump**. That Said, I'm Fascinated / Concerned By The Increasing Numbers Of Black, Hispanic And Latino Voters That **Trump** Is Attracting. No Doubt That The Polling On This Is Accurate. Some Of It Is On The Dems For Sure.

I Was Working In New York When **Trump** Tower Came Online. I've Paid Pretty Close Attention To **Donald** For Many Years. Regarding People With A High Public Profile, **Trump** Is The Most Comically Ridiculous, Ignorant Full Of Shit Jerk-Off I've Ever Observed. What Is It About This Guy That Manages To Simultaneously Set Your Hair & Derrière On Fire? Please Don't Feed Me This Bullshit It's All About Policy.

Whether In 2024 Or 2028, This **TRUMP** Phenomenon Will Have Had Its Run. I Have To Fight Off Pissing Myself From Spontaneous Convulsed Laughter Every Time I Hear This Ridiculous Biblical Bullshit Claim From The Far-Right *Evangelical Intelligentsia* (My Favorite Oxymoron) That **Donald J Trump** Is *SkyDaddy's* Divinely Inspired Choice To SAVE AMERICA. Please... PFUCK ME TWICE — If Only So I Don't Forget.

With Hugs, Wet Kisses, Sans The Best Wishes, I Am, *ReverendPottyMouth* (*RPM*). Yar I Am!
