Subject: Personal Hygiene

It has come to my attention that there are a few of you who need to drastically improve on your personal hygiene, especially now that we are going into the summer months. We have had a few of you who have had quite an offensive body odor here in the office and I am sure you are also going into shippers and receivers smelling the same way. We cannot have this!!!! Please begin bathing daily in order to not offend our clients and office personnel. If you come into this office, as some of you have lately, you will be bluntly told to bathe. This is fair warning so as not to offend you.

Thank you for your immediate attention and cooperation in this matter.

Sincerely,

Rodney Timms
President
