

SURREPTITIOUS HUMAN Protein*

— — — — or — — — —

“There’s What in My What?!”

Hey, Jon! Howzithangin’? What’re You Doing With the Eggnog? Is That a Chem Strip You’ve Got? Yar, It Is Ralphie. For What? I’m Testing This Eggnog For *Purity*. Purity? To Ensure That It’s Not Contaminated With Inappropriate Human Excretions. Come Again? Well, That’s a Clever If Disgusting Pun. I’ve Absolutely No Idea What You’re Talking About. Remember That Outrageous Atrocious Article That That Militant Queer In My Office Left On My Desk? Oh, Sweet Jesus! That Syndicated Sex Column About the Violated Casserole? Yar. You’re Still Hung Up and Otherwise Obsessed About That? I Prefer To Think Of It As Being Prudent and *Vigilant*.

But, Goodness Jon, We’re At a Holiday Party Strictly Of Our Own Tribe — You Know, Fearful Put-Upon Ignorant Far Right F-O-S Intolerant Authoritarian Evangelicals. Well, That’s a Fine Characterization, Ralphie. Yeah, But Who Among Us Tonight Would Even *Possibly* Conceive Of Something So Utterly Vile Vulgar and Otherwise Depraved — To Say Nothing Of *Acting* On Such An Evil Impulse? Do You Know the Hosts of Tonight’s Gathering? I Don’t. No, Nor Do I. I Did Hear From Someone That They’re Friends of Homer. *Our Homer?! Dipstick Homer?* “Why, Bless His Little Heart,” Homer? Yep & Yep. Or Should I Say ‘Yar & Yar?’ Ha Ha. Really, Who The Hell *Knows* What These People Do In the Privacy of Their Home, Bedroom, Bathroom! Keep Your Voice Down, Jon! People Are Staring At Us For Fuck’s Sake. And Speaking of Bathrooms, You’ll Recall in That Dreadful Article the Bit About the Queer Who Defiled His Hosts’ Toothbrushes? Yes, I Well Remember That.

And Where Did You Get That Chem Strip? A Chemist Friend Of Mine Has Developed It. He’s Beta-Testing It Now and Has Serious Plans to Market It. Good God! Why Didn’t You Just BYO-E Tonight? Yar, That Would Have Been a Good Idea. So, What’s His Chem Strip Suggesting? Wouldn’t You Like To Know. You’re Not Going To Tell Me? Really? I’ll Think About It... (With Derisive Snort) Is Your Chemist Friend *Also* Going To Develop a Secure Toothbrush Holder? No, I Am. I’m Outta Here!

The Odious Far Right Evangelical Agenda (As Amended)

Restoration Of God’s “Chosen One,” McPresident Trump
Deconstruction Of The Secular State & Deep State
Extinction Of The Abominable LGBTQ+ *Lifestyle*
Putting God Front & Center In Public Education

Promoting Christian-Friendly Authoritarianism Globally
Reassertion Of White Supremacy (As God Intended)
Make Abortion A De Facto Capital Crime
Promote & Provoke Global War With Islam

and... Defend The Casserole!!!

all we are saying/is give [faux christian fascism] a chance*
