

FAVORITE FILM SCENE.

The airport hangar scene from ‘*The Silence of the Lambs*’.

Hannibal Lecter: *Tell me, Senator: Did you nurse Catherine yourself?*

Senator Martin: *What?*

Lecter: *Did you breast-feed her?*

Paul Krendler: *Now just a minute...*

Martin: *Yes, I did.*

Lecter: *Toughened your nipples, didn’t it?*

Krendler: *You son-of-a-bitch.*

Lecter: *Amputate a man’s leg and he can still feel it tickling. Tell me, mum, when your little girl is on the slab, where will it tickle you?*

Martin: *Take this... thing back to Baltimore!*

Lecter: *Five foot ten, strongly built, about a hundred eighty pounds; hair blonde, eyes pale blue. He said he lived Philadelphia but he may have lied. That’s all I can remember, mum, but if I think of any more, I will let you know. Oh, and Senator, just one more thing: love your suit!*
