THE MENACING ORANGE BUFFOON (MOB)
aka The Most Honest, Truth-Telling, President Since Lincoln
aka The Most Devout, Biblically *Knowledgeable* President Ever!

GREETINGS FROM ANOTHER PLANET

Hello Karrin,*

I Received An Email Last Week From The Lake Campaign Announcing The Saturday Evening *Can't We All Just Get Along?* Gathering At Mr W Scott Schirmer's Biltmore Estates Residence. Quite The Guest List, To Include One My Favorites — Sher'ff Mark Buns O' Steel Lamb. You Might Do Me The Favor Of Asking Him If He Has Caught Author Jennifer Pishko's Recent Book Tour Appearance On NPR's *Fresh Air* To Promote Her Just Released Book, **THE HIGHEST LAW IN THE LAND: How The Unchecked Power Of Sheriffs Threatens Democracy**. But Perhaps Ms Pishko Sent Sheriff Lamb A Complimentary Advance Copy Given Her October 2021 Profile Of Pinal County's Finest For **POLITICO**. I Have Nothing But Contempt For Richard Mack's CSPOA.

I Grew Up In DC And Was Somewhat Educated At George Washington, And Spent A Portion Of My Senior Year Interning In Congress — An Experience Which I Thoroughly Despised. From What I've Read, I Gather You Know Your Way Around Republican Politics In The Nation's Capital. You Appeared On My Radar During Your Primary Race Against Hari-Kari. I Nearly Pissed Myself From Spontaneous Convulsed Laughter At Your First Two Campaign Ads; They Were Terrific!

If Your State Party Wasn't Such A Thoroughly Pfucked-Up Dysfunctional Mess, I've No Doubt You'd Be Ensnared In The Governor's Residence This Very Moment. What You Have In Hand (Or Perhaps Your Capable EA) Is My **LEETLE TRUMPY PROJECT** Which Launched Last Week — **VERRYSTABLEGENIUS.COM**. I Will Soon Complete My 68th Year In This Realm, Otherwise Known As Turning 69.

I Had A Career In International Finance After Endeavoring To Earn A Credential Onto The PGA Tour. I Knew Many Fine Republicans Like You, Former Governor And Corporate Executive, Doogie Ducey, And Many Other Quality *Sane* People Who Were Moderate, Able, Live & Let Live GOPers. It Was Disappointing, But Not Surprising, That You And Doogie Have Endorsed Hari-Kari And Delusional **DONALD**, Given The Numerous Key Races All Y'Alls Have Lost Over The Past Two Cycles. I Appreciated Former Governor Janet Napolitano's Tart Observation That Today's AZGOP aka *The Bamboo Party* Is The Electoral "Gift That Keeps Giving" — arf! arf! arf! Their Motto Ought To Be **WE WIN PRIMARIES!!!** To Get Serious For Just A Nanosecond, I Very Much Wish To See You Much-Maligned RINOs Regain Control Of Your State Party — And The GOP Overall. The Current State Of McPresident **Trump's** GOP Is Not Good For The Country. I Wound Up Here In Tucson In The Winter Of 2015 Kind Of By Accident. Now I've Never Been Considered The Sharpest Knife Or The Brightest Bulb In Anyone's Pantry. That Said, I Was Purty Quik On The Uptake To Embrace Practicing What I Call *Safe Political Sex — Arizona-zona Style*. In My Time Here, I Have Literally Voted For More Republicans Than Democrats In Primary Races, For Pfuck's Sake. (I'm All In With The OPEN PRIMARIES Movement.) First, Martha McSally To Stop Kelli Kevorkian Ward. By-The-Way, McSally Is One Seriously Accomplished Woman. Her Memoir, *Dare To Fly*, Is One Hell Of A Read. Then, Of Course, I Voted For You To Stop Hari-Kari.

I'm Quite Curious How Establishment Republicans Like You, Doogie (And Others) Regard Kari Lake And **Donald Trump** aka The Self-Proclaimed "Very Stable Genius." To Your Mind, Is **Donald** Kinda Like A Stubborn Vaginal Yeast Infection? Lake Has Terrible Political Instincts Combined With An Astounding Lack Of Common Sense. For Example, Her Clumsy Ill-Advised *Public* Outreach To Meghan McCain. Have Lake And Her Peeples Never Heard Of That Thing Known As *Backchannel* Communication? In The **Trump** Project Folder, ARIZONA POTSHOTS, There's An Article Transcription By NATIONAL REVIEW'S Haley Strack In Which She Quotes Lake As Saying That John McCain Would Have Laughed At Her Odious Remarks. Really? All That Said, Be Assured I Thoroughly Enjoyed Ms McCain Taking The Opportunity To Tee Up Hari-Kari And Then Proceed To Drive Her Dumbass 330 Yards Down The Middle Of The Fairway. In A Prior Senate Primary Race, Former AZGOP Head Cheerleader, Kelli Kevorkian Ward, Did Much The Same Thing With Grandpa Arpaio With Similar Result.

I'm Also Of The Bipolar Opinion That The Lake Campaign's Emails Are Breathlessly Atrocious. But, Of Course, It's Straight Out Of Fear-Based Playbook Of **THE DONALD**. Everything Is Godawful And Otherwise Turning To Shit At Warp Speed, That It's A Five-Alarm, All Hands On Deck Moment To Save Our Precious And Otherwise Great Republic From Those Radical: Leftists, Communists, Baby-Killers, Child Groomers And Sex Child Sex Traffickers, Blah, Blah, Blah. As For The Upcoming Abortion Ballot Initiative, I'm Confident (Very) That *We The Heathens* Are Gonna Jam That Vote So Far Up The Ass Of These Faux-Christian **CONTROL FREAKS** That They're Eyes Are Gonna Bulge. With Regard To The *Trailer Park State* On This Issue, The 60 Percent Threshold May Be A Bridge Too Far. That Said, I Think It Will Be Surprisingly Close. I Trust You Took Note Of Governor Ron "Live & Let Live" DeSantis Having State And Local Law Enforcement "Visiting" The Residences Of Citizens Who Had The Nerve To Support That Ballot Initiative.

And, To Think, Just Nine Short Years Ago The GOP Fancied Itself To Be The Party Of *Liberty & Freedom*. Well, PFUCK ME TWIICE - If Only So I Don't Forget.

Finally, Luv, Were I Just Even A *Quarter* Bazillionaire With Compelling Interests Here In The Glorious GRAND CANYON STATE, Given The Tight Legislative Margins In Recent Election Cycles, Methinks I Could Fashion A Durable Democratic *Majority* In Short Pfucking Order. All It Takes Is Sufficient Moolah And A Few High-Powered National Political Operatives. In This Regard, I'd Start With Jim Messina And David Axelrod. You Have Two Hideous **Trump**-Sniffing Members Of Congress In Messrs Biggs & Gosar, And More Ignorant Far-Right **ASSWHOLE**S In Your House & Senate Than I Can Keep Track Of. DEMOGRAPHICS In All Its Various Manifestations Is D-E-S-T-I-N-Y. Not Exactly A News Flash To The Political Intelligentsia, Thought It Might Be Fer Charlie, Tyler, TPA et al. Just Ask Any Angry Rural Assault-Rifle Toting Peckerwoods You May Know. NYT Had A Prominent Feature Story Perhaps Two Years Ago About All Of These Tech Refugees Who For The Past Ten Years Have Been Pouring Into Maricopa From The People's Republic Of California. Being The Highly Intelligent Able Woman That You Are, Karrin, Do You Imagine That They're Not Bringing Their... Wait For It... California *Values* With Them? I Know Of No Other State Legislature In Substantial Political Transition Which Is As *Vulnerable* As The AZGOP.

With Hugs, Wet Kisses, And Best Wishes (Maybe), I Am

PMS I Have Huge Longstanding Problems With The Far Left. I've Long Pfancied Myself To Be A Meaner-Than-Shit Radical CENTRIST. I Don't Consume Any Cable Or Late Night Programming. I READ. I LISTEN TO MUSIC, Without Which I'd Have Been Gone Long Ago. I WATCH FILM; *Sublime Film* — Not That Jeans & Sneakers Shit Purveyed By NETFLIX. Being A Democrat Has Been One Of The Worst, Most Exasperating Experiences Of My Life — And I've Been Married *And* Divorced THREE Times. A Rank-And-File Member Of A Party That Has Raised To An Art Form The Ability To Snatch Defeat From The *Jaws Of Victory*. But After Marriage #3, I FINALLY Happened Upon The Joyous And Many Splendored Benefits Of A PFUCK BUDDY Relationship. What A Wondrous Arrangement! (Told Ya I Wassn't The Sharpest Knife, Right?) I've Rarely Watched Bill Maher's REAL TIME Program. But I Recently Read His Most Recent Book, WHAT THIS COMEDIAN SAID WILL SHOCK YOU. It Is Pfucking EXCELLENT!!! You Might Be Quite Pleasantly Surprised How Much Of It Will Resonate. Chock Full Of REAL LIFE Common Sense, It Is. If You Buy It And Aren't Impressed, I'll Buy It From You. *Really?!* Of Course Not, Don't Be Stoopid.

Melissa Orr, Director — Prescott Public Library. As A DC Kid, I Had A Relative Who Was A Credentialed Researcher. Throughout My Teen Years I Had Extraordinary Access To The Library Of Congress. It Was A Foundational Experience. Last Summer, I Was In Prescott For The First Time In Perhaps 30 Years. Can't Say That I Recall Your Library From That Time. That Said, I Was Stunned By Your Magnificent Facility. For A Library In A Town The Size Of Prescott, I've Never Seen Book Stacks As Extensive. Also, It's Rare These Days To Find A Library Which Is Open Everyday. Prescottonians Should Be Very Proud And Grateful To Have Such A Wonderful Library. It's Obviously A Trying And Otherwise Challenging Time For Public Librarians. I Can Only Hope All Y'Alls Aren't Experiencing Too Much Shit (Or Menace) From These Ignorant Full Of Shit Book Banning ASSWHOLE'S. I Was En Route (Or So I Thought To Whistler, BC) When I Had To Return To Tucson Due To A Serious Medical Situation. But I Did Experience Your Companion Libraries In Cottonwood And Camp Verde. Both Are Terrific! Best Wishes To You And Your Staff. Librarians ROCK! ♥♥
Damn Good Sex, To Boot! arf! arf! arf! Say What? Well, Yes, I'm Not Exactly Werkin' With A *Full Deck* At 69. That OK?
