

Robert De Niro c/ o BIDEN/HARRIS 2024

I Still Can't Believe **Donald Trump** Got Elected. Four Years Of Sucking Up To Tyrants, Supporting Racists, Ending *Roe v. Wade*, Lying About The Election When He Lost, And *Calling* For Insurrection To Stop The Peaceful Transfer Of Power.

Thank God Joe Biden Defeated Him And Restored *Decency, Compassion, And Honest, Intelligent Leadership* To The Presidency.

Now **Trump** Is Trying To Claw His Way Back. Frankly, It Scares The Hell Out Of Me. I Have Said Before That **Donald Trump** Is A Monster. [Ed. Note: My Characterization? Ridiculous, Delusional, Lifelong A\$\$WHOLE Piece Of Shit.] And Just Imagine How Dangerous It Will Be If He Becomes President Again. It's Going To Take All To Make Sure **Donald Trump** Never Returns To The White House, So I'm Personally Asking ...

Over The Years, I've Played My Share Of Vicious Low-Life Characters. I've Spent A Lot Of Time Studying Bad Men. I've Examined Their Characteristics, Their Mannerisms, And The Utter Banality Of Their Cruelty. **Donald Trump** Is A Wannabe Tough Guy [Ed. Note: And According To Miss Stormy, *Endowed* With "A Small But Not Freakishly Small Peanus."] With No Morals Or Ethics Who Will *Do Whatever He Can To Obtain Power*. As An Actor, I Could Never Play Him. There's Not A Shred Of Humanity To Hang Onto.

I Strongly Support Joe Biden. He's A Lifelong Public Servant With *Great Personal Integrity*. I Trust Him Completely To Run The Country. He Puts You First. **Trump** Cares Only About Himself.

The Bottom Line Is That President Biden Is Our Guy. He Represents What This Country Is Supposed To Be About, And We Need To Do Everything We Can To Reelect Him.

[Ed. Note: Right On, Mr. De Niro. Right-The-Pfuck-On!]
