

The Ballad of Billy Barr

There Once Was A Hatchet Man / His Name Was Billy Barr /
He Sold His Soul For Power / Shat On The Rule Of Law /

No One Tried To Rein Him In / An Accomplice, Yeah He Is /
A Goon Doin' The Dirty Work For A Filthy President /
Now He Don't Work For You and Me / Ain't Got No Self-Respect /
Just The Right-Hand Man Of A

Criminal Whose Balls Won't Lick Themselves/*

There Once Was a Hatchet Man / His Name Was Billy Barr /
He Sold His Sold His Soul For Power / Shat On The Rule of Law /

He'll Get Away With Murder / If You Let Him Go That Far /
So Get Off All Your Asses And Impeach That Billy Barr /

* PMT_IOSIDF — PFUCK ME TWICE — If Only So I Don't Forget. Unlike Critical Shortages of PPE, Testing Etc., Thankfully In This S-H-I-T-H-O-L-E Administration There Is NO SHORTAGE Of *Ball-Lickers, Dick-Lickers, Full-On Cocksuckers* — *And One Very Devout Evangelical Colon Sniffer.*
