HUNTERS GLEN PROPERTY OWNERS ASSOCIATION DEED RESTRICTIONS AND COVENANTS

Glen Subdivision Phase 1. ~~It is noted that developer owns surrounding land and may purchase additional adjacent land, and reserves the right to add such property, as developed, to these deed restrictions and covenants or similar residential restrictions and covenants. One membership, carrying with it the privilege of one vote, shall be assigned for each lot in the subdivision. The vote of each lot may be further divided among the owners of the lot. A person owning one or more lots shall be entitled to a vote for each lot owned. Owners of a fractional vote shall be able to cast their fractional vote or may assign their vote to one person who shall be authorized to vote the lot as a whole. In no event shall any singular lot have more than one vote.

Common property will be designated in later phase(s) of the subdivision and all common property is to be owned and maintained by this Association. This association shall implement the provisions of these restrictions. The right of each lot to cast one vote may not be varied or diluted thereafter.

~~The recreational facility and amenities appurtenant thereto is hereby designated as a common facility, and shall be owned by a non-profit corporation formed specifically to own and operate same, the stock to which shall be owned by the Association Developer. All property owners in Hunters Glen Subdivision, all phases (even those which may not be yet planned), are automatically members of the said facility, and will likewise be assessed for the costs necessary to insure, maintain, operate and administer it. Further, the assessments, at Developer's option, may be designated as different for owners of unimproved and improved lots. Developer may elect to continue to manage the facility until Developer has sold 90% of all lots in all phases of the subdivision. In consideration of the construction and land costs borne by Developer, Developer owned lots or properties are exempt from assessments hereunder. At such time as Developer has sold 90% of all lots in all phases of the subdivision, even those phases which might not yet be planned, Developer agrees to surrender the stock of the Hunters Glen Recreational Facility, Inc., for no price, to the property owner's association. The non-payment of recreational facility assessments will result in suspension of use of the facility, and the right of the corporation which will own and operate the facility to pursue legal recourse to collect the dues.
