Introduction

WHB Concert & Production Services, LLC, is a one stop shop for event production needs. Our team has more than two decades of experience in providing audio, lighting, video, and other production support for a variety of events including weddings, fundraisers, meetings, cultural celebrations, holiday parties, concerts, and more.

From production equipment rentals to full event production management, WHB caters to the needs of each individual client to bring their visions to life and create memorable events.

“WHB goes above and beyond every time. They are responsive and professional, and each event has that extra “pop” and “wow” factor that helps makes it memorable for our students.”

- Kelly McGahie, Student Event/Activities Coordinator, Phillips Exeter Academy

Our Services

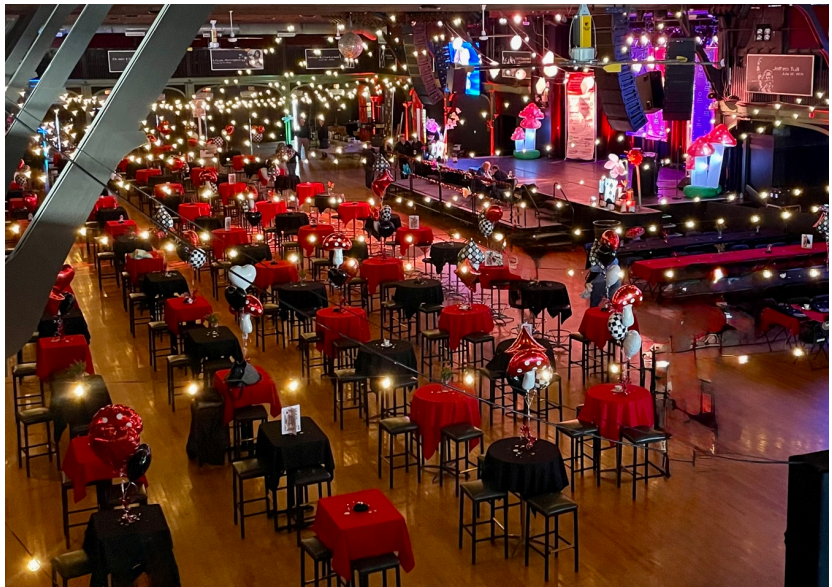

WHB will collaborate closely with you, from the initial design phase to the final implementation, to elevate your ideas into an unforgettable experience.

WHB Concert and Production Services can:

- Assist with early-stage design and planning
- Craft a distinctive aesthetic that you, your clients, and attendees will adore
- Customize a high-quality audio and lighting system that aligns with the event's requirements and fits within the budget
- Integrate cutting-edge techniques and technology for state-of-the-art results
- Provide meticulously maintained audio and lighting equipment
- Furnish skilled technicians and engineers with positive attitudes
- Coordinate with participating vendors to seamlessly orchestrate all aspects of the event, including staging, video, and entertainment

"WHB has given our signature event, the Penguin Plunge, which has a 20 year history, new light, completely transforming the end-user experience to mirror our event theme year after year. John and his team are dependable, flexible, friendly and extremely knowledgeable in their field. WHB has brought our events to another level which in turn has greatly impacted the athletes our organization serves."

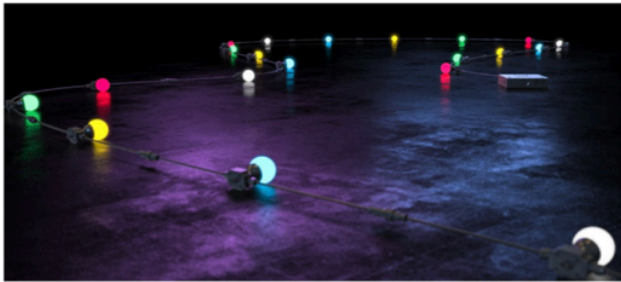

- Chelsea Gill, Special Olympics New Hampshire

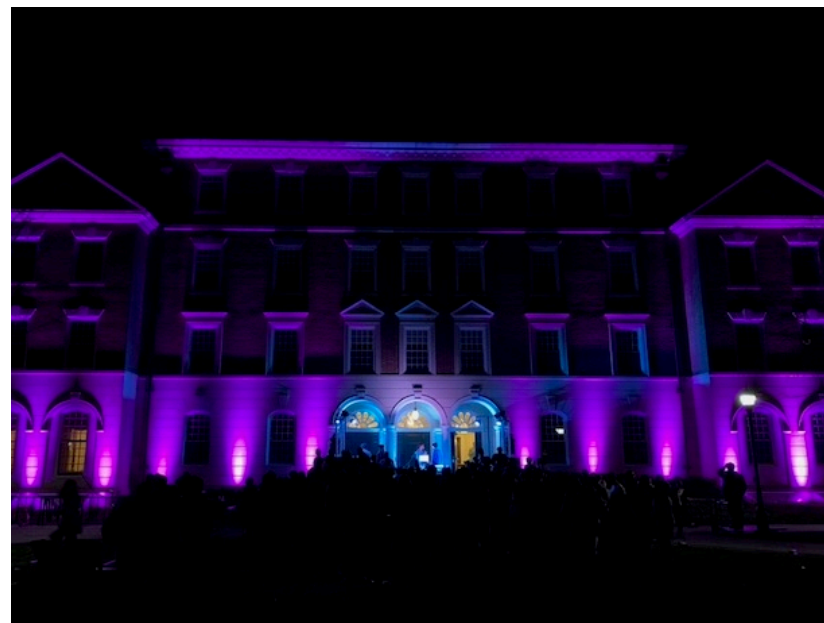

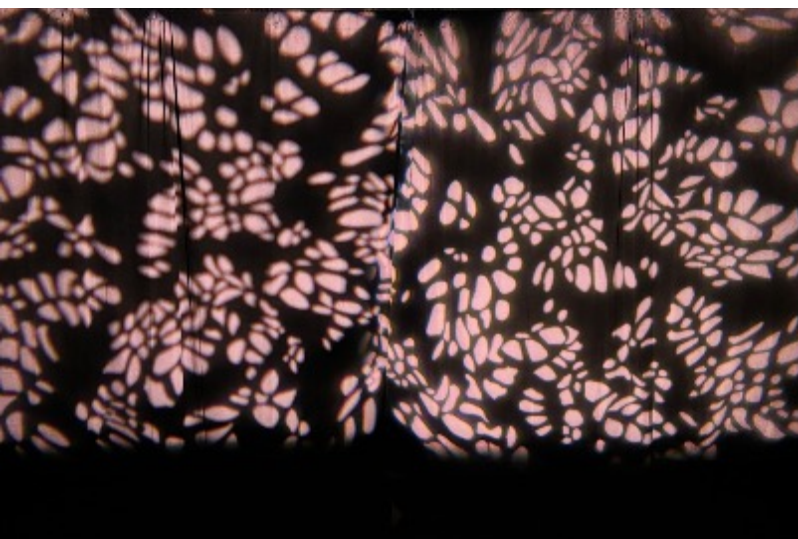

Our Rentals:

WHB has a wide range of sound, lighting, and video equipment available to elevate any event. Listed and showcased below are just some of the exciting enhancements we offer:

- Uplighting (wired & wireless)

- Bistro Lighting (white & multi-color led)
- Textured or Patterned Lighting
- Cold Spark Fireworks Fountains
- Mirror Balls
- Bubble Machines
- Sound Systems
- Projector Systems
- ...and much more!

“WHB’s contribution was pivotal in making the MLK Celebration event a resounding success, and we are truly grateful for their exceptional skills and dedication. The sound quality and professionalism exhibited by WHB Concert and Production Services were outstanding. WHB’s attention to detail and commitment to delivering a flawless audio experience did not go unnoticed. We look forward to collaborating with WHB Concert and Production Services on future events.”

- André Ward - Arts Director of Special Projects, Boston Public Schools

We appreciate your time and consideration, and we hope you'll choose WHB for all of your event production needs. We look forward to hearing from you!
