

**U.N. AGENDA 21 (SUSTAINABLE
DEVELOPMENT/SMART GROWTH) WILL:**

Abolish Property Rights
Abolish the middle class
Restructure the family unit
Mandate population control and reduction
**Government control over EVERY aspect of
human life**
Support nature above man
Destroy our Constitution
**Force relocation of people into Smart
Growth zones (Human Settlements)**
**Create walkable cities with highly restricted
mobility**
Create global economic policy and law
Create global ownership of all resources
**Ration food, water, healthcare and use of
energy**
Give UN control of our military
End national sovereignty
**Return 50% of land to wildlands (restrict
use of remainder with approx. 5% of the
land used for human settlements)**
**Replace Judeo-Christian values with
Pantheism**
**Educate children to be citizens of the world
with no alliance to a country or family**
THIS IS A PARTIAL LIST

**GET THE UN OUT OF THE US!
GET THE US OUT OF THE UN!**

**SUSTAINABLE DEVELOPMENT
OR
SUSTAINABLE FREEDOM**

WHICH WILL YOU CHOOSE??
