

SAVE SMALL GENERAL AVIATION AT KING COUNTY INTERNATIONAL AIRPORT (KBFI) AND WASHINGTON STATE AIRPORTS POLITICAL ACTION COMMITTEE

**Mission Statement**

---

Save Small General Aviation at King County International Airport (KBFI) and Washington State Airports Political Action Committee exists to protect and advance Small (Light) General Aviation—defined as piston-powered single-engine and multi-engine aircraft—by advocating for fair airport access, reasonable public policy, and long-term operational viability at KBFI and throughout Washington State’s public-use airports.

The PAC supports policies and candidates that recognize the essential economic, transportation, safety, and emergency-response roles of Small General Aviation and opposes actions that unjustly restrict, displace, or eliminate these aircraft from public airports.
