

# THE HOMELESSNESS ECOSYSTEM

A SYSTEM. NOT A MOMENT.

By Cupid Alexander

—Cupid

BREAK THE CYCLE. BUILD THE SYSTEM.

**INVEST IN HOMES**  
More affordable housing, everywhere

**PREVENT & DIVERT**  
Catch people before they fall

**CARE WITHOUT BARRIERS**  
Accessible, trauma-informed, built for trust

**FUND SOLUTIONS NOT SYMPTOMS**  
Flexible, sustained, equitable funding

**COMMUNITY POWER & VOICE**  
Nothing about us without us

**MEASURE WHAT MATTERS**  
Housing stability, not just placements

We don't lack solutions. We lack political courage, resources, and will.

**PEOPLE ARE NOT THE PROBLEM. SYSTEMS ARE.**
