

Thank you for your interest in Riviera. Riviera Caterers has served New York's elite for more than a century. Over the past 125 years, Riviera has survived many challenging times including two World Wars, the Great Depression, recessions, stock market crashes, 9/11 and Hurricane Sandy. The reason why we have been able to "survive" those terrible times, is because of our willingness to reinvent ourselves while maintaining our core values. After Hurricane Sandy in 2012, we decided to revamp the family business and redefine innovation in the catering industry. Our fresh vision has attracted a slew of corporate and celebrity clients through bespoke experiences with a hip, innovative approach to both presentation and high-quality cuisine, garnering accolades including BizBash's Top 500 and Top 1,000 Event Planners, NYC's Caterer of the Year, Forbes Magazine's 30 Under 30.

As the Covid-19 crisis began in March 2020, we saw the opportunity to reinvent the business and help others during a very difficult time. We partnered with the Department for the Aging and the City of New York, to help serve the senior community by delivering **fresh** and **high-quality** meals to over 72,000 homebound senior citizens.

As times have changed again, we are now pivoting into a new business sector where we are sharing our cuisine with everyone by providing our high-quality meals for everyday use.

Our approach has always been about using the freshest ingredients that are at their peak of the season, so the quality in everything we do comes through our food and we are continuing that with these new single serve menu selections. Our passion and pride has always been based on our ability to deliver Michelin-level, nutritious dishes at a fair and reasonable cost while providing the highest level of hospitality to each and every client. This client driven approach allows us to develop a meal program that fits your organization's needs not a one-size fits all mentality.

All of us at Riviera can promise you that we will deliver you a meal that you can be proud of to serve to your staff, guests, or community each and every day. We believe you will find that our "guest first" philosophy, personal approach, and commitment to the highest quality food will exceed your expectations.

Sincerely,
Andrew Cavitolo, CEO
