### Tasting Notes:

Abaco Parcel Blend is a great expression of a unique place in Mendoza: the riverbanks of the indomitable Las Tunas River, in the heart of Uco Valley. It has a deep purple color with hints of ruby. Aromatic notes of red currants and red cherries, red flowers and sweet spices. Juicy and fresh from the first sip; you won't have an excuse to not finish this bottle.

**Food Pairing:** Pasta with meat sauce or Pizza with grilled vegetables.

**Serving Temperature:** 14°-16°C

**Ageing Potential:** 5- 8 years

An Abacus is a simple device used to make manual mathematical calculations by sliding counters along rows of wires set inside a frame. Like the vineyard with the rows of vines and wires that are responsible for the birth of the grapes inside these bottles. Our winemakers count one by one the vines of each component that makes this blends unique.

**Abaco is mathematics, science, precision and passion for the wine blending.**
