All Correspondence to be addressed to the General Secretary

CIRCULAR NO: 01 / 2022-25

Date: March 15, 2022

To: ALL UNITS IN KARNATAKA,

Namaste Comrades,

We express our sincere gratitude for having responded to the call of participating in the election process without fail by making it almost a cent percent polling which is a record in the history of **STATE BANKS' STAFF UNION (KARNATAKA)**. We congratulate you all for whole heartedly participating and making this mega event a grand success. We congratulate all the elected members of the Central Committee and wish them all the best in their endeavours while working as a representative of their members.

We were not permitted by Government authorities to call for a General Council Meeting of the membership due to the anticipated gathering of a few thousands during the pandemic. In view of that and to fulfill the mandatory requirement, elections had to be conducted. We are greatly thankful to the overwhelming support and help for the conduct of elections to the Central Committee for the period 2022-25 which was in itself a herculean task to have been achieved successfully. We profusely thank the Returning officer, Com. Nagaraj S of our CCPC Bangalore Branch and all his associates all over the circle who were part of this process of conducting elections across length and breadth of the state of Karnataka. The sacrifice and compromise of their personal comforts to ensure a smooth conclusion and put in place a new committee to take forward the functioning of the Union in the service of its membership everywhere is praiseworthy.

The new Central Committee has been established by you all, after choosing wisely and prudently its members to take care of the welfare of all the members. We are all back at our desks to resume our functions for which we have been elected and we are looking forward to

each and every one of you to work shoulder to shoulder and ensure we protect and enhance the working conditions of all of us in years to come. We all have a responsibility within the committee or otherwise to strengthen the organisation by being alert and wary to the happenings around us which may distort the fabric of the Union. I urge everyone of you to know your rights, duties and responsibilities in the Bank and also as a member of the Union. Let us all jointly hold the banner of our beloved Union, **STATE BANKS' STAFF UNION(KARNATAKA)** aloft and ensure it keeps flying high in the firmament for generations to come and make us all proud to be a member of this organisation. At the same time we have a solemn duty to uphold the values and principles laid down by our elders and help subsequent generations imbibe them and carry forward as, a Union most disciplined and dedicated, working in the interest of its members.

We request you all to feel free to approach your representatives, the Assistant General Secretaries at the respective zone level for resolution of your issues, who will escalate the issue if need be to the Administrative Office level where a team of office bearers headed by the Dy. General Secretary will be available to address your grievances. We solicit everyone's active involvement in rededicating to the cause of the Union and stay united at all times and carry the torch which has been lit way back in the year 1983 and spread this light into the hearts and lives of our members which should alone be sufficient to attract others who are not still with us, to join the fold.

We thank you all once again for all the support and co-operation. Looking forward to your continued support throughout the journey of the new committee. We from our office are all eager to meet you all in person and develop a lasting camaraderie relationship and beyond.

We furnish as an annexure, the list of newly elected Central Committee members of STATE BANKS' STAFF UNION(KARNATAKA)

With warm regards,

Yours comradely,

(M. RAVIKUMAR)
GENERAL SECRETARY
