*The Friends of Fly Rod is a committee of volunteers solely dedicated to this single purpose of creating this three-dimensional, outdoor, life-size or greater, permanent representation of Miss Crosby to stand at the DIF&W HQ in Augusta.

The Friends of Fly Rod are partnering with the Professional Maine Guides Association and its Maine Guides Education Fund (MGEF) to process donations. The MGEF is a 501(c)(3) public charity, which means that donations are tax-deductible.

The MGEF has established a separate account at Katahdin Trust Co. to hold funds received for this cause. All contributions to this account will go to the creation of the statue minus necessary fees, e.g., web site hosting.

Contributions will be accepted until the funding goal has been met. Recurring donations are welcome, such as a contribution each year, (2025, 2026, 2027). Each donation will be acknowledged by a mailed receipt in keeping with IRS regulations.
