

CALEB ★ MILLS

ABOUT ME

Caleb, a country music singer song writer, has been performing and writing music since he was 8. He was inspired by his guitar playing granddaddy Billy Ray McBroom of the Muscle Shoals music scene. Currently Caleb is focusing on performing at live shows, recording and writing and in Nashville. Caleb has received praise from Ward Guenther, Paul Anka, Los Lonely Boy drummer Ringo Garza, and senior producers of American Idol. The 22-year-old from Hazel Green, Alabama surprises his audience with vocal maturity and original songs. Soulful lyrics and personal experiences provoke listeners to ask for more from this young writer. He can deliver sexy, engaging ballads and Southern rock songs of his own that bring down the house.
