Sisterhood + Self-Love + Empowerment

It's A Royal Affair

October 1, 2022

Old Sacramento State Park
111 I St., Sacramento, CA, 95814
11-6pm | All Ages

In partnership with the City of Sacramento, YAS Queen is hosting our first-ever women's festival, *A Royal Affair*, on October 1st, 2022, in Old Sacramento. The event will be the first of its kind in Sacramento.

We kindly ask your support and partner with YAS Queen as a sponsor for the event. Your sponsorship goes directly to our projects and initiatives that provide more opportunities and experiences for women empowerment through personal development, education, entrepreneurship, leadership, family strength, health, and financial wellness. With your partnership, we can celebrate and honor more women who are aspiring success and reaching it.

We expect over 500 people to attend, and we are so excited to feature multicultural dancing, multicultural food, various forms of art, and to spotlight and honor the women in our community.

Again, the success of the event wouldn't be possible without the support from partners like you. Please consider sponsoring, *A Royal Affair*, and help us empower more Queens and generations to follow.

EVENT MISSION

Our event mission is to provide a safe and nurturing environment where our local community could celebrate the accomplishments of women through culture and share resources to aspire women for their own personal success. Each of our performances, speakers, exhibits, vendors, and resources at our Festival will support, empower, and inspire women through wellness, self-love, sisterhood, and setting intentions.

PURPOSE

Our unique day festival will provide positive representation and celebration of women through historic ethnic dances highlighted with presentations of historical female pioneers and continuing into the present with a clinic that will provide health resources for all attendees. We will welcome food vendors that can share local fresh and healthy cultural food. We will also have presenters to offer opportunities to the women of Sacramento and surrounding areas through business education. We are encouraging all local community participation. Participants will leave the festival with community connections and resources to use as tools through their own journey.
