Port of Bristol Shanty Crew!

Shanty singing is when you sing songs about the sea!

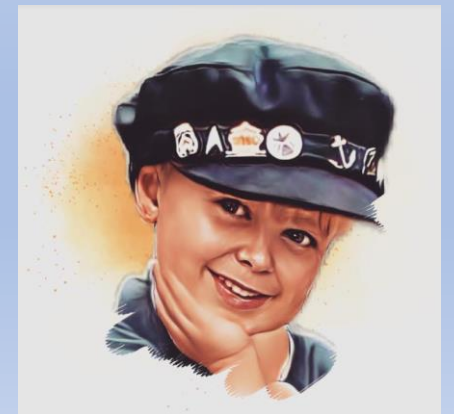

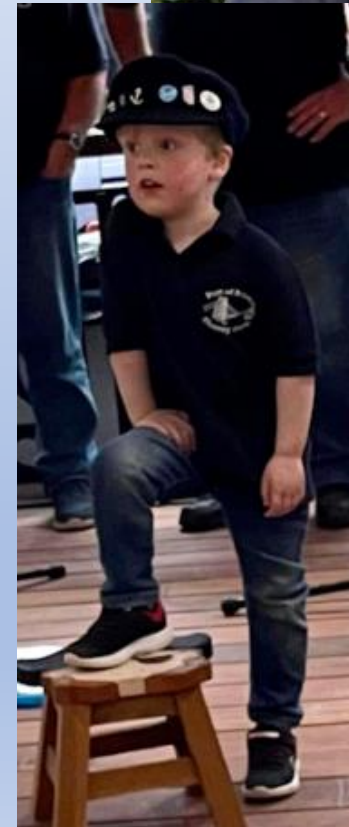

My favourite song is called 'Being a Pirate'.

My Grandpa sings in the Shanty Crew with me. His Shanty name is Old Bill because he used to be a police man.

There are other people in the crew too.

- I have to wear a special t-shirt, neckerchief and a hat with badges on.
- I have my own microphone and standing stool.
- Sometimes I use my Shanty tankard to drink my water.

I am a shanty Singer because I Love singing.

I go to Razamataz to practise my singing and dancing every Saturday morning.

All the crew are my friends. We have so much fun when we sing together!

People watching always give us a clap!
