

AMHLC NEWS

By God's grace, we are growing by leaps and bounds.

HEALING THROUGH THE ARTS

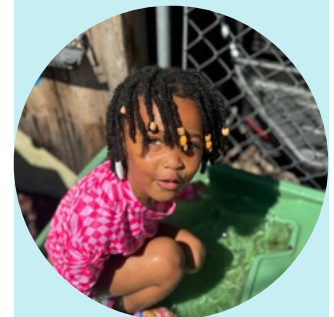

PROVIDING CHILDREN WITH OPPORTUNITIES FOR ENJOYMENT, ENGAGEMENT, AND LEARNING.

AMHLC is so grateful to have been able to accomplish our first ever independent School-Age Summer Program. Our school-age kids had their own facility and took part in different classes such as cooking, baking, crochet, horticulture, Spanish, sports, health, and wellness.

4TH OF JULY CELEBRATION

Our kids were able to have a day full of water play, delicious BBQ, and games to celebrate the 4th of July! It was perfect weather to have some fun in the sun! Thank you Ms. Trish for the amazing BBQ!

AMHLC GRADUATION

Celebrating our LITTLE graduates with
BIG futures!

A Mother's Heart Learning Center celebrated our six graduates: Jade, Husani, Mariangelis, Melanie, Naomi, and Abdiel.

For some of the graduates, we have watched them grow from Praise, our baby room, all the way to Love, our Preschool room. Now, we are watching them transition to school.

AMHLC staff is so proud of our graduates and the journey they have begun. We will miss our 2024 graduates, but we are excited to see how they soar in their new adventure of Kindergarten.

FIELD TRIPS GALORE

Our kiddos were able to attend multiple field trips during the summer!

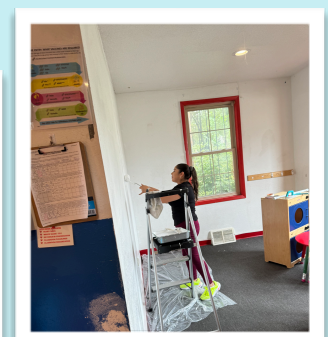

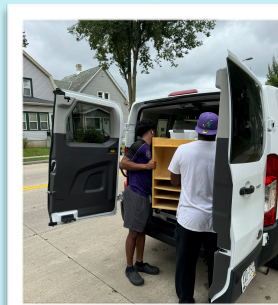

It is an amazing opportunity for our children to go and see the world through field trips and experience new scenery while keeping their brains engaged. Our children were able to take field trips to Kids Empire, Legoland, Bay Beach, Little Amerricka, and many more!

THIS IS WHAT LOVE LOOKS LIKE...

AMHLC Staff preparing for a new academic year. Our teachers put in two days worth of work to re-decorate and organize our classrooms so the children could have a whole new experience for the upcoming school year.
