We are growing by leaps and bounds, by God's grace alone.

AMHLC Christmas!

A Mother's Heart Learning Center celebrated Christmas with a week full of fun and adventure.

Each day of the week, the kids had a fun activity planned including Grinch Juice, Santa faces, Pajama Day and Hot Chocolate, and our Christmas Party with yummy breakfast, lunch, and snacks. We are so blessed to have shared the Christmas season with our kids.

SANTA!

Santa came to visit our AMHLC family and each of our children received a gift from him. We had a blast spending time with our families and staff.
